ABOUT US

MISSION:

Our mission is to be the most effective fastener source that our customers have experienced. We take great pride in the services we provide—from manufacturing to distribution, we put all our years of experience to work for you.

Founded in
1986

3rd Generation
Family

Cold
Heading

Thread
Rolling

HISTORY

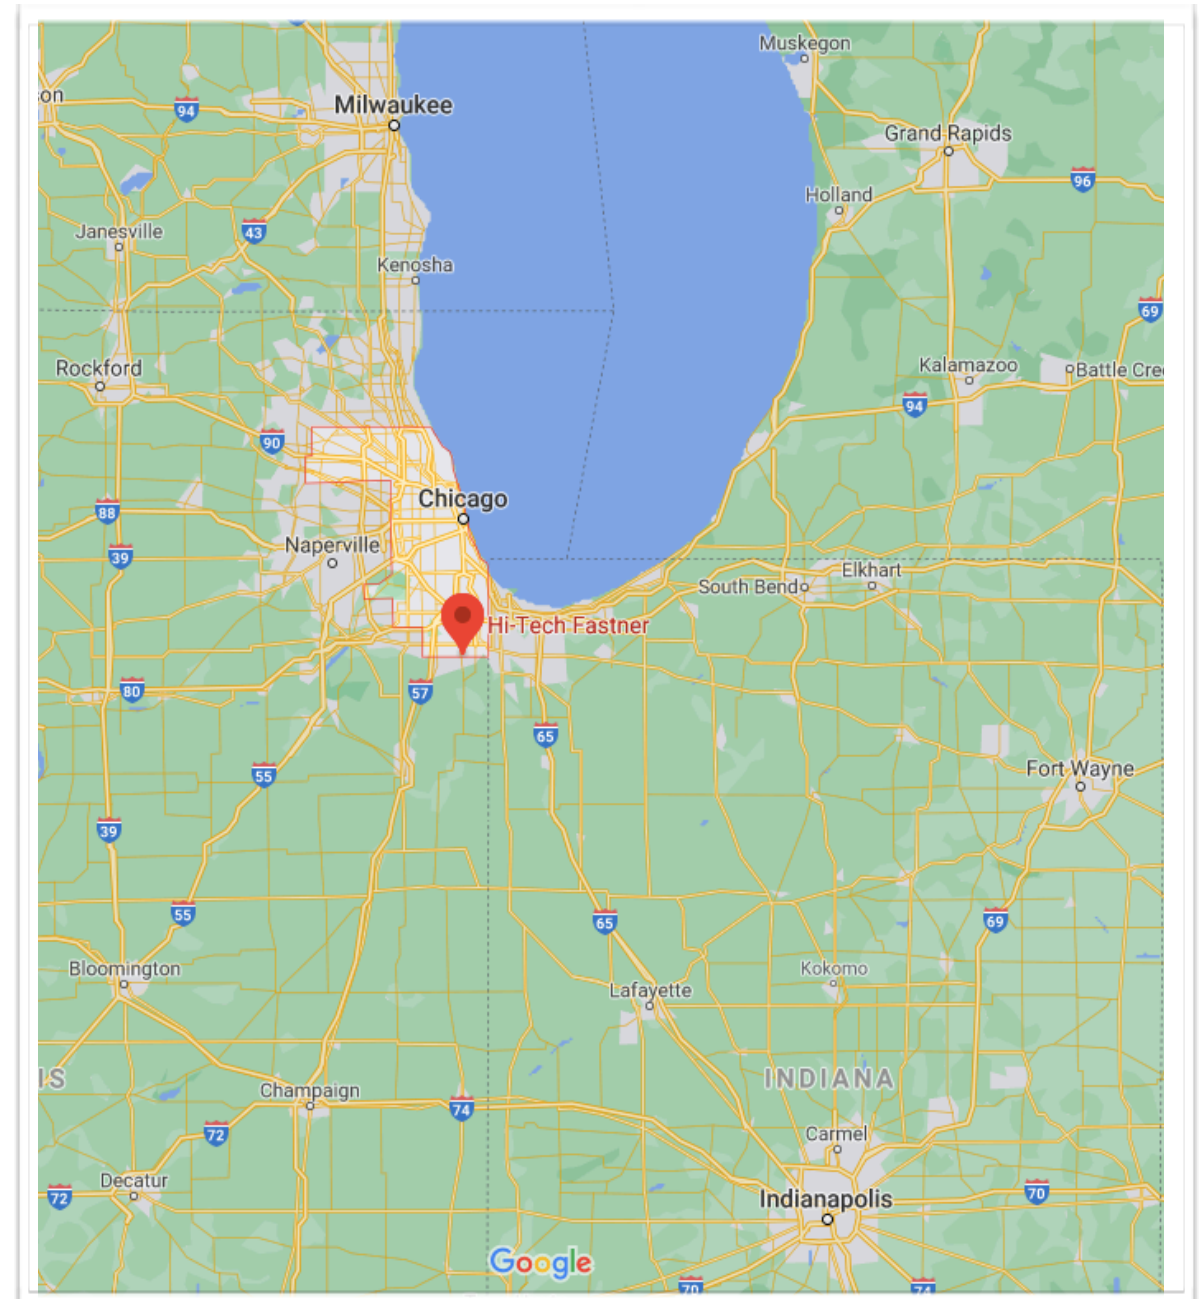

Jim Davis, the owner, has been in the fastener industry since 1968. His son Jeff Davis joined the industry in 1982. By 1986 the father and son duo set out to fulfill their dream of owning their own fastener manufacturing business.

Jeff's son Chris Davis joined the company later in 2016.
